Chiapas, México

Chiapas of Heart

A MAGIC STATE IS LOCATED SOUTHEAST OF MEXICO AND IS HIGHLIGHTED AT THE INTERNATIONAL LEVEL BY THE BEAUTY OF ITS BEACHES, WATERFALLS AND JUNGLES, AS WELL AS THE MAJESTY OF ITS ARCHAEOLOGICAL AREAS, THE RICHNESS OF ITS HISTORY AND THE DIVERSITY OF ITS CULTURE.

THIS IS CHIAPAS, A DESTINATION FOR THOSE SEEKING ADVENTURE, AN UNFORGETTABLE EXPERIENCE THROUGH THE ENCOUNTER WITH NATURE AND ITS AMAZING ATTRACTIONS. THE JOURNEY IS ENRICHED WITH EXQUISITE GASTRONOMY, THE QUALITY OF SERVICE AND THE WARMTH OF ITS PEOPLE.

IN OTHER WORDS, LIVE THE EXPERIENCE HERE IN CHIAPAS.

◆ TACANÁ VOLCANO

For the lovers of mountain climbing, the highest summit of Chiapas.

The House of Fire or Tacaná captivates mountaineering lovers who feel attracted to the feat of climbing the highest peak of the Mexican Southeast. This active volcano located on the boundary between Mexico and Guatemala, highlighted by its biodiversity, its structure geographic and, above all, by its 4093 meters, permits to distinguish a variety of climates during the ascent.

It is located to 10 km from Unión Juárez.

◆ LACANDON JUNGLE/SOCONUSCO REGION

The adventure of going through the rapids at incredible natural treasures.

The journey through the rapids is an adventure in two of the areas with the greatest natural treasures of Chiapas: the Lacandon Jungle, the largest rainforest in Mexico, has as attractions river tours on the Santo Domingo and Lacanjá, besides having a wealth of animal and plant species, as well as archaeological treasures. The Soconusco region also has rapids in the Coatan river and San Francisco falls; in this area, there are beaches, mangroves, coffee plantation farms, Puerto Chiapas harbor, and other places of interest.

◆ PUERTO ARISTA

Sports and trips at the main destination for sun and beach in the state.

One of the most beautiful beaches in the Chiapaneca coast represents the ideal place for the practice of all kinds of beach sports and pleasant walks that invite you to discover a natural landscape composed of approximately 40 kilometers of fine grey sand and endless blue sky beaches.

It has approximately 50 restaurants where you can taste a wide variety of exquisite dishes prepared based on fish and seafood.

It is located at 19 km from the city of Tonalá.

◆ CHUKUMALTIC CENOTE

The ideal place for high diving

For those who love high diving, the Chucumaltik cenote is the ideal place. It is 200 meters in diameter and 70 meters in depth; its water is such clear that it is able to see 40 meters inside; and its temperature is always between 23 or 24 °C. At the bottom of the cenote, there are petrified trees, caverns, sulphur chimneys, an altar for the "Virgen de los Dolores" and a quartz deposit.

It is located at 26 km from the city of Comitán de Domínguez.

◆ EL CHORREADERO

Its fascinating landscape ideal underground to practice canyoning and rappelling.

This impressive site covered with rocks, waters, flora and fauna invites you to explore an underground world using ropes and different techniques of rappelling. An underground river, caves and caverns formed this natural wonder of approximately three hectares where a stream emerges from a cave forming a 20-meter-high waterfall that creates a series of small natural pools.

It is located at 14 km from the city of Chiapa de Corzo.

◆ SIMA DE LAS COTORRAS

The experience of abseiling in a 140-meters-depth chasm.

It is a collapse of Earth with 140 meters deep and 160 in diameter, where the practice of abseiling is a unique adventure in a descent framed by a vast vegetation and the presence of a myriad of parrots that live in the interior of this jungle. While descending, visitors can admire cave paintings depicting warriors, animals and hands on the walls of this impressive cavity.

It is located at 18 km from the city of Ocozacoautla de Espinosa.

◆ VALLE DE OCOZOCOAUTLA

It is a space to experience the thrill of skydiving.

For those who carry the adventure to the end, jumps in parachute in the Valley of Ocozocoautla with SkyDive Chiapas are an excellent choice. The intrepid travelers live intensely this unique experience - jumping accompanied by a professional instructor from a plane flying with more than 9 thousand feet in height. Before opening the parachute, experience unimaginable emotions in 49 seconds of free fall, reaching a speed of up to 200 km/h.

It is located in the city of Ocozocoautla de Espinosa.

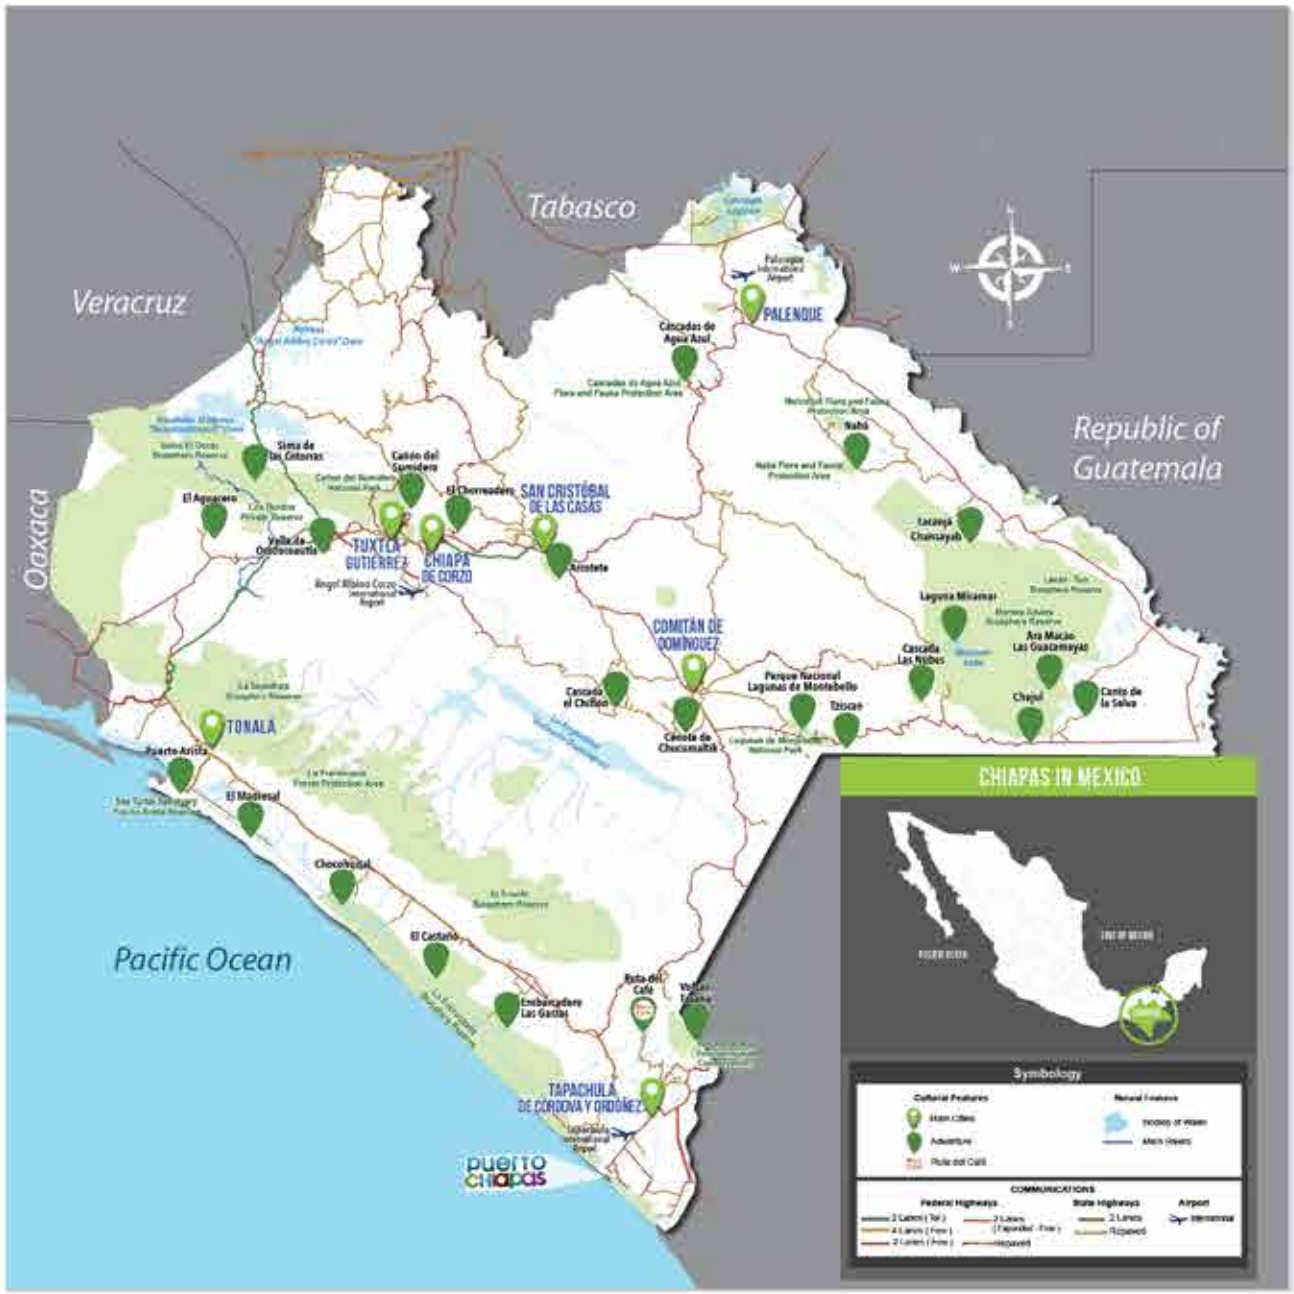

◆ EL CHIFLÓN

It is fun for people of all ages zip-lining at this natural attraction.

Slide down zip lines located in places such as the impressive chain of waterfalls that form the currents of the San Vicente river in the abrupt topography. Some of the waterfalls are the Suspiro, Ala de Angel, Arcoiris, Quinceañera and the main: Velo de Novia of 120 meters in heights, among others.

It is located at 35 km from the city of Comitan de Dominguez.
